

# This Is The One

## Thin Lizzy

I've got to find an occupation, I've got to keep myself employed  
It's a bad situation, my brain's destroyed  
I've got to find a new vocation, I feel it burning down inside  
Such a low down abrasion inside; it hurts my pride[Chorus]  
I hear it, I know it, I touch it, I feel it, I see it  
Someday, we will have won; I can feel it in my bones  
This is the one  
I hear it, I know it, I touch it, I feel it, I see it  
Someday, thy will be done; I can feel it in my bones  
This is the one  
Got a bad situation, I can feel it building up inside  
Got a certain reputation, outside, outside  
I've got another situation, I can feel it building to my soul  
Hell bent, hell raising, I feel it through my soul[Chorus]
