Erase (feat. Priyanka Chopra)

The Chainsmokers

Another week ends since you've been gone
It doesn't feel like it's been that long
But I guess it gets better everyday
Yeah, YeahMy head is heavy my mind is numb
I found myself in a stranger's arms cause
I just want to make it fade away
Yeah, YeahMy heart is a broken machine
Need you to come set me free
Keep on playing the music baby
Keep on playing the music babyMy heart has been cold as nights
I feel it come back to life
Keep on playing the music baby
It's all that's getting me through this babyErase Erase Erase
Erase Erase Erase (Take it all away)
Erase Erase Erase
Erase Erase Erase (Take it all away)I see you calling, I don't respond
And now I feel like I'm right where I belong
And I am ready for a change
Yeah, YeahWhat doesn't kill me will make me strong
Just turn it up, nothing's wrong cause
I can just keep dancing through the pain
Yeah, YeahMy heart is a broken machine
Need you to come set me free
Keep on playing the music baby
Keep on playing the music babyMy heart has been cold as nights
I feel it come back to life
Keep on playing the music baby
It's all that's getting me through this babyErase Erase Erase
Erase Erase Erase (Take it all away)
Erase Erase Erase
Erase Erase Erase (Take it all away)I wanna dance till I can't feel nothing at all
I wanna dance till I can't feel nothing
Erase Erase Erase Erase (Take it all away)
I wanna dance till I can't feel nothing at all
I wanna dance till I can't feel nothing (Yeah)My heart is a broken machine
Need you to come set me free
Keep on playing the music baby
Keep on playing the music babyMy heart has been cold as nights
I feel it come back to life

Keep on playing the music baby
It's all that's getting me through this babyErase Erase Erase Erase (Take it all away)
I wanna dance till I can't feel nothing at all
I wanna dance till I can't feel nothing
