

# True To Your Heart

Stevie Wonder

Baby, I knew at once that you were meant for me  
Deep in my soul I know that I'm your destiny  
Thought you're unsure, why fight the tide  
Don't think so much, let your heart decide  
Baby, I see your future and it's tied to mine  
I look in your eyes and see you searching for a sign  
But you'll never fall, Til you let go  
Don't be scared, of what you don't know

Chorus

True to your heart  
You must be true to your heart  
That's when the heavens will part  
And baby, shower you with my love  
Open your eyes  
Your heart can tell you no lies  
And when you're true to your heart  
I know it's gonna lead you straight to me  
(Got to be true to your heart)

Someone you know is on your side can set you free  
I can do that for you if you believe in me  
My second-guess, what feels so right  
Just trust your heart, and you'll see the light

Chorus

(Ya know it's true) Your heart knows what's good for you  
(Good for you) Let your heart show you the way  
(Ya know it's true) It'll see you through  
(Got to be true to your heart)

Boy, my heart is driving me to where you are  
Well, you can take both hands off the wheel and still get far  
Be swept away, enjoy the ride  
You won't get lost  
With your heart to guide you.

Chorus 3x
