

# Who Says a Funk Band Can't Play Rock?

## Funkadelic

Who says a jazz band can't play dance music?  
Who says a rock band can't play funky?  
Who says a funk band can't play rock? Oh yeah  
We're gonna play some funk so loud  
We're gonna rock 'n' roll the crowd  
Just watch them dance, watch them dance We really love to play  
We're in the mood to sing, yeah  
Won't you take the time to get the music on your mind?  
We'll release you from the bind, yeah, yeah We've been around for such a while  
Be kinda hard not to have a style  
When times get slower by the mile  
We relax and wear a great big smile  
You can count my teeth one, two, three, four, five People think 'cause we are here  
Our jazz ran out, the ship won't steer no more  
We picked up on the rhythm here  
If you just take a toot and have a beer  
We're gonna make it clear Who says a jazz band can't play dance music?  
Who says a rock band can't play funky?  
Who says a funk band can't play rock? Oh yeah  
We're gonna play some funk so loud  
We're gonna rock 'n' roll the crowd  
Just watch them dance, watch them dance We never take a chance  
Music is our one romance, yeah  
May I have this dance?  
Give it a chance Who says a jazz band can't play dance music?  
Who says a rock band can't play funky?  
Who says a funk band can't play rock? Oh yeah  
We're gonna play some funk so loud  
We're gonna rock 'n' roll the crowd  
Just watch them dance, watch them dance Who says a jazz band can't play dance music?  
Who says a rock band can't play funky?  
Who says a funk band can't play rock? Oh yeah  
We're gonna play some funk so loud  
We're gonna rock 'n' roll the crowd  
Just watch them dance, watch them dance Who says a jazz band can't play dance music?  
Who says a rock band can't play funky?  
Who says a funk band can't play rock? Oh yeah  
We're gonna play some funk so loud  
We're gonna rock 'n' roll the crowd

Just watch them dance, watch them dance Who says a jazz band can't play dance music?

Who says a rock band can't play funky?

Who says a funk band can't play rock? Oh yeah

We're gonna play some funk so loud

We're gonna rock 'n' roll the crowd

Just watch them dance, watch them dance
