

Brinks (feat. Master P)

Gucci Mane

Is the big Gucci we got money in the bank
. while we are living tight
Keep on hard on the paid
. I get pussy every day
Cause a pussy cant mistake . dollars in my right
. look at me what you did
. i am selling Cds globally
. i get office of million dollar
Just to throw it all
Ice cream . I left the streets heating. man I got the flipper
Come and trying to get my . dollar
Big squad soldiers dont run till its over
. cant change my life full . I was in it
We never done it tried to play the game you all never won it
Dont try to be replaced . I am a ghetto stars
