Day Three

Lordsong

Day 1 they found him guilty and sentenced him to die
when the crowd heard the news they shouted crucify
crowned with thorns they mocked his name and nailed him to the cross
he hung there till His dying breath
Day 1 all hope is goneDay 2 it's still quiet the crowd had all gone home
his broken body in the tomb sealed with the soldier's stone
believers who had followed him weep and question why
Seeds of fear and doubt take hold
day 2 disciples hide
(oh they hide)Day 3 his body's missing the stone was rolled away
an angel of the Lord appeared when the women cametrembling out of fear and joy amazed at what they find
they quickly run to spread the word
day 3 He is alive (Jesus is Alive)vday 1 the hill ran crimson red with blood to cleans all sin
day 2 reminds us keep the faith when the doubts set in
oh what difference one day makes from death to victory
the cross became an empty grave on day 3chorus gainthe cross became an empty grave on day 3
