

# Day Three

## Lordsong

Day 1 they found him guilty and sentenced him to die  
when the crowd heard the news they shouted crucify  
crowned with thorns they mocked his name and nailed him to the cross  
he hung there till His dying breath  
Day 1 all hope is gone Day 2 it's still quiet the crowd had all gone home  
his broken body in the tomb sealed with the soldier's stone  
believers who had followed him weep and question why  
Seeds of fear and doubt take hold  
day 2 disciples hide  
(oh they hide) Day 3 his body's missing the stone was rolled away  
an angel of the Lord appeared when the women came trembling out of fear and joy amazed at what they find  
they quickly run to spread the word  
day 3 He is alive (Jesus is Alive) vday 1 the hill ran crimson red with blood to cleans all sin  
day 2 reminds us keep the faith when the doubts set in  
oh what difference one day makes from death to victory  
the cross became an empty grave on day 3 chorus again the cross became an empty grave on day 3
