This Diamond Ring (Re-Recorded)

Gary Lewis & The Playboys

Who wants to buy this diamond ring?
She took it off her finger, now it doesn't mean a thing
This diamond ring doesn't shine for me anymore
And this diamond ring doesn't mean what it did before
So if you've got someone whose love is true, let it shine for youThis stone is genuine a cultured bead
And if your baby's truer than my baby was to me
This diamond ring can mean something beautiful
And this diamond ring can mean dreams that are coming true
And then your heart won't have to break like mine did if there's love behind itThis diamond ring can mean something beautiful
And this diamond ring can be dreams that are coming true
And then your heart won't have to break like mine did if there's love behind itThis diamond ring doesn't shine for me anymore
And this diamond ring doesn't mean what it did before
So if you've got someone whose love is true, let it shine for you
