## This Diamond Ring (Re-Recorded)

## **Gary Lewis & The Playboys**

Who wants to buy this diamond ring?

She took it off her finger, now it doesn't mean a thing
This diamond ring doesn't shine for me anymore
And this diamond ring doesn't mean what it did before

So if you've got someone whose love is true, let it shine for youThis stone is genuine a cultured bead

And if your baby's truer than my baby was to me

This diamond ring can mean something beautiful

And this diamond ring can mean dreams that are coming true

And then your heart won't have to break like mine did if there's love behind itThis diamond ring can mean something beautiful

And this diamond ring can be dreams that are coming true

And then your heart won't have to break like mine did if there's love behind itThis diamond ring doesn't shine
for me anymore

And this diamond ring doesn't mean what it did before So if you've got someone whose love is true, let it shine for you
