

This Hand

[Jimmy Somerville](#)

If this is love, if it's love, if it's love I feel

Love love love

Take this hand and feel if you can

The flow of life the flow of love the flow of everything I am

Don't hesitate I cannot wait for you and I to fly

To fly

Take this hand and feel if you can

The flow of life the flow of love the flow of everything I am

Don't hesitate I cannot wait for you and I to fly

Don't hesitate I cannot wait for you and I

To fly

If this is love, if it's love, if it's love I feel
