## Scarlett O'Hara

Sky cities scrape  
The lining of heaven  
Beneath this vast region  
Manifest destination, destination  
Leaves us fast erasing  
Days pass  
Time flies  
You don't realize  
Today you waste  
This dying youth of beauty  
And pleasure evaporates  
Lives are connected to lasting obsessions  
That become possessions of waste  
While buying the next new fashion that's fed to  
Enslave this land of the free  
Days pass  
Time flies  
You don't realize  
Today you waste  
Days pass  
Time flies  
You don't realize  
Today you waste  
Don't be so surprised  
Days pass  
Time flies  
You don't realize  
Today you waste
