

Praying Man

Atlas Sound

Kick me while I'm down - why don't you?

Stick me in the ground - I'll rise again

I am a praying man, yea

I'm a praying man, oh

I'm a praying man

Sha la la la

Take me to your farm - why don't you?

Take me out in the morning, to your warm creek

Dip me in the water - baptize me

Will you dip me in the water? Will you baptize me?

I am a praying man, yea

I'm a praying man, yea yea

I'm a praying man

Sha la la la
