

Secret Girl

Sonic Youth

My mother used to say
You're the boy that can enjoy invisibility
I am a boy that can enjoy invisibility
Close your eyes, make a wish
Cross yourself, see yourself
Feel yourself, scream once more
Move yourself, across the floor
Burn inside, between two walls
The advertisement's saying
That pleasure's ever lasting come touch me
The advertisement's saying
That pleasure's ever lasting
Must be dead and gone to heaven
Come and touch me here
So I know, that I'm, not there
