

# Love the One You're With

Stephen Stills

If you're down and confused  
And you can't remember who you're talkin' to  
Concentration slips away  
'Cuz your baby is so far away Well there's a rose in a fisted glove  
And the eagle flies with the dove  
And if you can't be with the one you love  
Honey love the one you're with  
Love the one you're with  
Love the one you're with  
Love the one you're with Don't be angry, don't be sad  
Don't sit cryin' of about the good times you had  
There's a girl right next to you  
And she's just waiting for something to do There's a rose in a fisted glove  
And the eagle flies with the dove  
And if you can't be with the one you love  
Honey love the one you're with  
Love the one you're with  
Love the one you're with Love the one you're with  
Love the one you're with  
Love the one you're with  
Love the one you're with Turn your heartaches run into joy  
She's a girl and you're a boy  
Get it together, make it nice  
Ain't gonna need anymore advice There's a rose in a fisted glove  
And the eagle flies with the dove  
And if you can't be with the one you love  
Honey love the one you're with  
Love the one you're with  
Love the one you're with  
Love the one you're with
