

# Edge of Eternity

[Nick Lachey](#)

Destiny cannot be shaken  
Fate will send us where we need to be  
Many turns our love has taken  
But in the end you're standing here with me  
Now it's a long road to forever  
But together I know we'll find a way Now we're standin' on the edge  
Edge of the eternity you and I  
We're standin' hand in hand  
Nothing will break our love  
I'll cherish you each day 'til I die  
For all eternity you and I My heart's filled with such emotion  
You're the reason for the air I breathe  
I pledge to you all my devotion  
Until death do part you away from me  
I've never been so close to heaven  
As the moment when I looked into your eyes We're standin' on the edge  
Edge of the eternity you and I  
We're standin' hand in hand  
Nothing will break our love  
I'll cherish you each day 'til I die  
For all eternity you and I And baby together (and baby together)  
There is so much we have yet to see  
And now and forever (now and forever)  
I pray you'll always be here with me  
Eternally We're standin' on the edge  
Edge of the eternity you and I  
We're standin' on the edge  
Edge of the eternity you and I  
We're standin' on the edge  
Edge of the eternity you and I  
We're standin' hand in hand  
For all eternity  
ooo ooo  
For all eternity
