Can't Haunt Me

Skylar Grey

I'm a zombie, zombie,
Laying underground
It can't get any worse (get any worse)
So violate me out as you wish
But I'm too numb to hurt (too numb to hurt)
Don't get surprised or terrified
There are no more tears left to cry
Do what you like (do what i like)
Do what you like (do what i like)
Nothing can take my breath away
My lungs are empty anyway
Do want you like (do what I like)
I'm not alive
I'm like a zombie, zombie
So you can't haunt me, you can't haunt me
I'm like a zombie, zombie

So you can't haunt me, you can't haunt me
Wash away the time, yeah
I have seen enough I've seen too much
Come here necrophilia
I'm cold to the touch (cold to the touch)
Don't get surprised or terrified
There no more tears left to cry
Do what you like, do what you like
Nothing can take my breath away
My lung are empty anyway
Do want you like, I'm not alive
I'm like a zombie, zombie
So you can't haunt me, you can't haunt me
I'm like a zombie, zombie
So you can't haunt me, you can't haunt me (haunt me)
