# Hello Baby

## Bob Luman

hello baby
where did you go
I've been looking for you all night
am I crazy
I've never known
that a love can make you feel so rightAnd girl you took my breath away
when we first met
when we first met Oh
now I got you here to stay
can you feel it
my heart's beatingbecause you are the only one for me
I search so high and low
the only one I see
baby I can't let gooah oah
you're the one for me
oah oah
i will never leave
'cause there ain't no place i would rather be
you're the one
for mewe can take it
straight til the end
baby take my hand and come with me
and don't you worry
this ain't pretend
tonight i'm making you believeand girl you took my breath away
when we first met
