

# Thank You

## Estelle

Sometimes I wonder, do you  
Even recognize the woman that's standing in front of you  
Listen, sometimes I wonder, do you  
Even care or realize why I took care of you  
'Cause you're my heart  
You are my soul  
You're my other half without you I cannot be whole baby  
So far apart, I just don't know  
What drove us apart in the first place now I know baby, why  
These tears I cry sure won't be the last  
They will not be the last, no  
'Cause this pain inside never seems to pass  
It never seems to pass me by  
So I thank you  
Said I thank you  
Yes I thank you  
For making me a woman  
Sometimes I wonder could she be  
More of a woman to you than you are a man to me  
Listen, sometimes I wonder, why me  
I'm here miserable while you're out living your fantasies and didn't care  
'Cause you're my heart  
You are my soul  
You're my other half without you I cannot be whole baby  
So far apart  
I just don't know  
What drove us apart in the first place now I know baby, why  
These tears I cry sure won't be the last  
They will not be the last, no  
'Cause' this pain inside which never seems to pass  
It never seems to pass me by  
So I thank you  
Said I thank you  
Yes I thank you  
For making me a woman  
One thing I learned in life  
We all gotta be ready to sacrifice to survive  
I hope she's happy  
'Cause you're the chapter that I'll be closing  
hope you're happy  
'Cause once my door close it won't be open  
These tears I cry sure won't be the last  
It will not be the last, no  
This pain inside which never seems to pass  
It never seems to pass me by  
So I thank you  
Said I thank you  
Yes I thank you  
For making me a woman  
So I thank you  
Said I thank you

Yes I thank you  
For making me a woman
