

Heavenly Sent (Royal K Remix)

Mi Casa

verse1:

i've never been to heaven
but i'm pretty sure that's where you came from
oh your angelic face
your majestic ways
yes i know it sounds kinda cheesy
but girl you got to know that i am for real
see oh, i would never say
things that i don't mean
chorus:
oh girl, you got me crying over you
you rock my world
and got me changing things i do
heavenly sent, heavenly sent,
heavenly sent you are

verse2:

i wonder where you got those eyes
they must have been
God's special prize
oh, you truly bless everything that you touch
my heart's in a mess
and you sweep it all up
