NIght Shift

O.A.R.

It's 3 a.m. and I wanna go to bed
I got a lady running through my head
Ran out of money, looking for a night shift
It's 3 a.m. and I want to go to bedI know a lady way down in my country
She was so pretty that my eyes threw disguises at me
Now we will sit and we'll wonder about our future
But now I'm thinking that today sounds fine to meWell I been working five days full time
Ain't got no money, but everything is going fine
Well, I been tired in my head
Well, I been tired in my headIt's 3 a.m. and I wanna go to bed
I got a lady running through my head
Ran out of money, looking for a night shift
It's 3 a.m. and I want to go to bedI know a lady whose eyes fly right through me
She will sit and stare directly at me
And that laugh will take me to my future
Throughout my past there is nothing left for meWell, I've been working five days full time
Ain't got no money but everything is going fine
Well, I been tired in my head
Said, I been tired in my headIt's 3 a.m. and I wanna go to bed
I got a lady running through my head
Ran out of money looking for a night shift
It's 3 a.m. and I want to go to bedI feel my lady late night she comes to me
Invades my mind reminds me of where we should be
So we just sit and we dream about our future
Throughout my past there is nothing left for meBut I've been thinking five days full time
Ain't got no money, but everything is going fine
But I've been tired in my head
Well, I am tired in my headIt's 3 a.m. and I wanna go to bed
I got a lady running through my head
Ran out of money looking for a night shift
It's 3 a.m. and I want to go to bedMy lady won't leave my head
I just want to rest my head to bed
She won't let me go
I don't want to go
