

Broken vow

George Perris

Tell me his name
I want to know
The way he looks and where you go
I need to see his face
I need to understand
why you and I came to an end.
Tell me again
I want to hear
Who broke my faith in all these years?
Who lays with you at night
while I'm here all alone
Remembering when I was your own
I let you go
I let you fly
Why do I keep on asking why?
I let you go, now that I've found
a way to keep somehow
more than a broken vow
Tell me the words I never said
Show me the tears you never shed
Give me the touch
the one you promised to be mine
Or has it vanished for all time
I let you go
I let you fly
Why do I keep on asking why?
I let you go, now that I've found
a way to keep somehow
more than a broken vow
I closed my eyes and dream of you and I
and then I realise
there's more to love than only bitterness and lies
I closed my eyes
I gave away my soul to hold you once again
and never let these promises
I let you go
I let you fly
now that I know I'm asking why?
I let you go, now that I've found

a way to keep somehow
more than a broken vow
More than a broken vow.
