

Flowers

Barbara Douglas

Flowers speak real soft from me to you,
all walks, special talks are so sweet to.
Special Feeling we share,
Me and you flowers say it too,

[Chorus:]

Flowers show how love was meant for two,
Flowers show my love is here for you
Flowers show Iâ€™ll always treat you right,
Flowers show weâ€™ll make sweet love tonight,
Flowers for two, flowers for you, me and you;

There are times when things get really rough,
So we take a moment to adjust,
Special feelings we share, just us,
Flowers with my love

[Chorus:]

Flowers show how love was meant for two,
Flowers show my love is here for you
Flowers show Iâ€™ll always treat you right,
Flowers show weâ€™ll make sweet love tonight,
Flowers for two, flowers for you, me and you;
