Headphones

Conor Maynard

Don't care where I'm going, or even if I get there,
I'm gonna take the long way, gonna take the wrong way,
Going through my playlist, forgot I even had this,
I could do this all day, 'cause I'ma be the DJ,I'ma turn it up,
I don't need nobody,
You can't slow me down,
Just getting started,
I'ma do the jerk,
I'ma do the dougie,
I don't even care if you watch me party!I got that boom, boom clap for my headphones,
I'ma rock it like that in my zone,
Gonna pump that track 'til the bass blows out,
Turn it up, or turn the whole world down,
Got that boom, boom clap in my headphones,
I'ma go hard 'til I go home,
Now you can't stop me when I drop it low,
Don't need nothing but my headphonesI got that ooh, ooh, oh , oh
I got that ooh, ooh, oh , ohwalkin' to the tempo, looking like a weirdo,
Don't care what their thinking, I'ma keep on singing,
So what if it's raining, I keep that music playing,
I'm listening to Kanye, then I'ma rock with MJ,Now I'm going in,
Don't you try to stop me,
Beats about to drop,
Can't control my body,
I'ma do the jerk,
I'ma do the dougie,
I don't even care if you watch me party!I got that boom, boom clap for my headphones,
I'ma rock it like that in my zone,
Gonna pump that track 'til the bass blows out,
Turn it up, or turn the whole world down,
Got that boom, boom clap in my headphones,
I'ma go hard 'til I go home,
Now you can't stop me when I drop it low,
Don't need nothing but my headphonesOn your way to work, on your way to college,
Pump them headphones, get your head jumping,
No matter where you are, no matter where you going,
Grab them headphones, get the beat pumping,
From here to Tokyo, LA to Miami,
Pump them headphones, get your head jumping,

No matter where you are, no matter where you going,
Grab them headphones, get the beat pumping,Check! I put 'em on and turn 'em loud,
Baby girl that's how I do it,
I rock around the block,
They wonder what that kid is doing,
'cause I lean with it, an' yeah I rock with it,
An' what they knew where I fitted,
I'm looking fly like quit it,
So if I'm walkin' an' rockin' no talkin' to me,
But if you look like a model,
Then you can follow me,
I got that boom, boom, it's in my room, room,
Oh wait damn girl, was that too soon?I got that boom, boom clap for my headphones,
I'ma rock it like that in my zone,
Gonna pump that track 'til the bass blows out,
Turn it up, or turn the whole world down,
Got that boom, boom clap in my headphones,
I'ma go hard 'til I go home,
Now you can't stop me when I drop it low,
Don't need nothing but my headphones
