

# Welcome Home (Sanitarium)

Scott D. Davis

Welcome to where time stands still  
no one leaves and no one will  
Moon is full, never seems to change  
just labeled mentally deranged

Dream the same thing every night  
I see our freedom in my sight  
No locked doors or windows barred  
No things to make my brain seem scarred

Sleep my friend and you will see  
dream is my reality  
They keep me locked up in this cage  
can't they see it's why my brain says Rage

Sanitarium, leave me be  
Sanitarium, just leave me alone

Build my fear of what's out there  
can i breathe the open air?  
Whisper things into my brain  
assuring me that I'm insane

They think our heads are in their hands  
violent use brings violent plans  
Keep him tied, it makes him well  
he's getting better, can't you tell?

No more can they keep us in  
Listen, damn it, we will win  
They see it right, they see it well  
but they think this saves us from our Hell

Sanitarium, leave me be  
Sanitarium, just leave me alone  
Sanitarium, just leave me the fuck alone

Fear of living on  
natives getting restless now  
Mutiny in the air

got some work to do  
Mirror stares back hard  
Kill is such a friendly word  
    seems the only way  
    for reaching out again.
