

The Good Die Young

Scorpions

[Talk]

These is hard times we livin' in
Churches burnin, planes fallin from the sky
Murder, the good die young
The good definitely die young
This is a lil' somethin'
To help you get through the day
If you could

It was more than a tragedy
Emotions be grabbin' me
Plane fell from the sky
We tryin' to figure what happened
Burnin' churches, fearin' God
Who can be so cruel
We all ignorant to AIDS
Till it happens to you
Just be a man, make plans
Listen to your voice
A woman's tryin' to make decisions
We should leave them a choice
Cause who are we to say who lives and die
Breathes and stops
All this judgement on other lives
Needs to stop
What are we livin' for
Givin' more back than takin'
On my knees still waitin' for my own salvation
Now I feel abandoned
cause Pat Buchanan say I'm greedy
You can take my taxes, send me to war
But can't feed me
It's so easy to regret things
After they done
Babies catchin' murder cases
Scared to laugh in the sun
The tragedies that we all need
Love in doses
In times like these we feel closest

The good die young

Does anybody have an answer why
It seems the good die young
Can anybody tell me why
Can anybody tell me why [2x]

Now in my world will it get worse
When I been trapped since birth
But I had to sleep in a hearse
Cause it was my bed first
My grands probably burnin'
Turnin' in they grave
Some folks ain't even get to see a high age
But they did so I ain't afraid
And this money got me feelin like a star
And this murder got me
Feelin like my death ain't far
And the land (?) and stolen cars
Don't get no better
Don't get no weaker or no harder
I was raised in a rush without my moms
And my father
So tell me somethin
If I grab my gat and get the dumpin'
Would God get to lookin' at me funny
Rest in peace to my mother Aquillah Beale
Rest in peace to my father Salek Beale
Rest in peace to my grandparents
And thug in peace to my brother Seike
You know I love you

Witch world first storms (?) and then Al
Pac and then Yak
Redrey (?) Brown
Coulda' sworn I seen ya face in a cloud
Family grievin' on your last breath
Close to the heart whether you know it or not
I swear the love won't stop
Jewel, that's my boo
Mom, Duke and Lou
From jump
You kept it true, helped to feed the crew
The good die young
Livin' fast jumpin' the gun

Mama blamin' the community for killin' her son
My cousin Darren wasn't scared of goin'
But never knowin' he was dyin' slower
I guess I see ya when I see ya soulja

Does anybody have an answer why
It seems the good die young
Can anybody tell me why
Can anybody tell me why

I know my life ain't promised
That's why the wise move in silence
Analyze these scandalous times
It's hard dogg but we manage
Schools turn to war zones
Even homes unsafe
Leavin' children to play caged and raged
They hate, how come
Someone explain why the good die young
Why the bad die slow and outlive everyone
It's time somethin' is done
For our young kids
They growin' opus (??)
That ain't the way to live
Tell me why

Days go past and as they pa*s
Time move quicker
No time for wastin'
Put your hustle down my young dealers
Cause the end is nearer
But at least that's what they tellin' me
Hell, all I know brothers
Ain't ridin' 4 3 felonys
It's time to plan, plot, and strategize
Capitolize, mobilize
We in the war y'all
It's for all y'all
My family to the ones that stabbed (?) me
Little bit mo' love is what's recommended
Yeah, and it's plain to see
The seeds from you and me
Gon' be the ones to lead us towards unity
That's if we treat them right
Man, teach them right

Raise your kids better than you was
And see what it does
But if you don't
Man, we sho' to be done
We'll all see exactly why the good die young

Does anybody have an answer why
It seems the good die young
Can anybody tell me why
Can anybody tell me why [2x]

[Talk]

This is for all my homeboys that pa*sed away
And all yo' homeboys that pa*sed away
I send this out to all the fallen soldiers
That's in the cemeteries buried
Never got to see they dreams
For everything I touch you touch
For every step I take you take
For every breath I breathe you breathe
Every dollar I make you make
I told you we'd make it to the sunshine one day
You just got there a little quicker
But like my homeboys Thugs say
I'll catch ya at the crossroads
The good die young

This song is dedicated to all them
Young kids and people that are innocent
That died young
At Columbine High
Rest in Peace (Oklahoma)
Outlawz
Lil' young Xzandafer
Tasha, all them
All the fallen kids
The dead babies
The closed caskets
