Bootylicious Vinyl

Zebrahead

Get down, shake your booty, baby
Bootylicious vinyl coming
Get down, shake your booty, baby
I love to watch your disco bounce
Get down, shake your booty, baby
Bootylicious vinyl coming
Get down, shake your booty, baby
I love to watch those disco's bounce
Four diggy days in the lad of rhyming
Lost all my money but the sun is shining
Four diggy days in the land of rhyming
Drunk off of wine and my mind is flying
Four diggy days in the lad of rhyming
Lost all my money but the sun is shining
Four diggy days in the land of rhyming
Drunk off of wine and my mind is flying
Get down, shake your booty, baby
Bootylicious vinyl coming
Get down, shake your booty, baby
I love to watch your disco bounce
Get down, shake your booty, baby
Bootylicious vinyl coming
Get down, shake your booty, baby
I love to watch those disco's bounce
Four diggy days in the lad of rhyming
Lost all my money but the sun is shining
Four diggy days in the land of rhyming
Drunk off of wine and my mind is flying
Four diggy days in the lad of rhyming
Lost all my money but the sun is shining
Four diggy days in the land of rhyming
Drunk off of wine and my mind is flying
Four diggy days in the lad of rhyming
Lost all my money but the sun is shining
Four diggy days in the land of rhyming
Drunk off of wine and my mind is flying
Get down, shake your booty, baby
Bootylicious vinyl coming
Get down, shake your booty, baby

I love to watch your disco bounce
Get down, shake your booty, baby
