

# Uaschitschun

## Running Wild

No more eagles gonna ride the wind  
Turning circles in the sky  
Badlands growing and the bison's gone  
Uaschitschun tell me why? Why'd you kill my creed  
Claiming earth and wind?  
You never kept your vow  
But, you can't lock me in Riding free  
I'm riding free with the wind  
Free as an eagle  
Proud as a king Riding free  
I'm riding free with the wind  
Free as an eagle  
Proud as a king My mother's the earth and my father's the wind  
You can't possess them, they are free  
It's time for you to see what you have done  
Can't hold my soul 'cause I will flee Why you kill yourself  
Ravage what you need to live?  
You can't eat your gold  
Nature's calling you Riding free  
I'm riding free with the wind  
Free as an eagle  
Proud as a king Riding free  
I'm riding free with the wind  
Free as an eagle  
Proud as a king Riding free  
Free as an eagle  
I'm riding free with the wind  
Free  
Free Only when the last tree has been fell  
The last fish caught, the last river poisoned  
Will you know that man cannot eat money?
