Soft

Motionless In White

You're mine, motherfucker!
Let me begin, envy's a sin
You'll have to find new words to invent
Cause I've heard you broken record
And I'm not impressedI love when you talk, I just use it to drive me
I won't let your judgment define me
I'm not broken, so don't fix me
I want you to hate meTell me what you've lost, hang me on your cross
If you're so wise, then why are you so soft?
Do you leave your "Throne" as you cast your stones?
I'm above living under your microscope
You're mine, motherfucker!I'm insane, I'm "insane in the membrane"
I wanna fuck your face with a switchblade
I'm not broken, so don't fix me
I'll leave you behind meInternet killed the video star
Internet killed the video starTell me what you've lost, hang me on your cross
If you're so wise, then why are you so soft?
Do you leave your "Throne" as you cast your stones?
I'm above living under your microscopeCry baby, cry baby
Did I just hear you whimper?
Cry baby, cry
Suck on my middle fucking finger
BLEGH
Cry baby, cry baby
What have you done lately?
Cry baby, cry baby
What have you done?Tell me what you've lost, demonize my flaws
Do they call you when dumb needs a mascot?
Do you leave your "Throne" as you cast your stones?
I'm above living under your microscopeYou dilate
God of your existence
Begging me to listen
While you "pray"
Swallow in vain
Silver spoon religion
Closer from a distanceYou're mine, motherfucker!Cry baby, cry baby
Cry baby, cry babyYou're mine, motherfucker!
