My Beloved Monster

Sherek

My beloved monster and me
We go everywhere together
Wearing a raincoat that has four sleeves
Gets us through all kinds of weatherShe will always be the only thing
That comes between me and the awful sting
That comes from living in a world that's so damn meanMy beloved monster is tough
If she wants she will disrobe you
But if you lay her down for a kiss
Her little heart it could explodeShe will always be the only thing
That comes between me and the awful sting
That comes from living in a world that's so damn meanLa la la la la la la la
La la la la la la
