

If You See Him

[Kreesha Turner](#)

If you see him, tell him I love him
Don't know why he had to go
All of my life just waiting for him
If you see him, let him know If you see him, tell him I miss him
Don't know how to let him go
All of my life, I'll be right here for him
If you see him, tell him so All of my dreams are built around him
Hey, life isn't half as sweet no more
So if you see him, tell him to get here Anyway that he knows how
'Cause all of my life will be waiting for him
If you see him, let him know
