

Break of Hearts

Poco

Break of hearts
Drifting to far apart
To be heard
Empty words
Making up too late from a losing startBreak of hearts
Waiting on a losing game
Fleeting thing
Beautiful thing
There's nothing here worth saving
Too many pieces now all breakingWe were two crazy fools
Running out of things to do
Betting on distant dreams
Getting only empty thingsGiving up
We were both beyond trying
I've had enough
There's something here that's dying
