

Little Guitars (Intro)

Van Halen

Senorita I'm in trouble again and I can't get free
You're exactly what the doctor ordered
Come on talk to me, can't crow before I'm out of the woods
But there's exceptions to the rule Senorita, do you need a friend? I'm in love with you
Catch as catch, catch as catch
Can anybody in their right mind could see
It's you and me You say you're lonesome, just gettin' by
But you turn your eyes from me
Be sure you're hurtin' long before you fly
'Cause, you've got me Catch as catch, catch as catch
Can anybody in their right mind could see, you and me
Catch as catch, catch as catch can
When I see you, all your little guitars sing to me I can see you, don't know which way to turn
But the sun still shines
Don't you know that you can dance with me
Anytime? Can't crow before I'm out of the woods
There's exceptions to the rule
Senorita, do you need a friend?
I'm in love with you
