## **Little Guitars (Intro)**

## Van Halen

Senorita I'm in trouble again and I can't get free You're exactly what the doctor ordered Come on talk to me, can't crow before I'm out of the woods But there's exceptions to the ruleSenorita, do you need a friend? I'm in love with you Catch as catch, catch as catch Can anybody in their right mind could see It's you and meYou say you're lonesome, just gettin' by But you turn your eyes from me Be sure you're hurtin' long before you fly 'Cause, you've got meCatch as catch, catch as catch Can anybody in their right mind could see, you and me Catch as catch, catch as catch can When I see you, all your little guitars sing to meI can see you, don't know which way to turn But the sun still shines Don't you know that you can dance with me Anytime? Can't crow before I'm out of the woods
