## The Sonics

I got a letter from my baby  
She said she's coming home today  
I got a letter from my baby  
She said she's coming home today  
Well my baby was a-lyin'  
She was coming home to stay Sugaree, Sugaree  
Sugaree, Sugaree  
Sugaree, Sugaree  
Don't you know I love you so I got a pencil and a paper  
And I sat right down to write  
I got a pencil and a paper  
And I sat right down to write  
I said I miss you everyday  
But I miss you more each night  
Sugaree, Sugaree  
Sugaree, Sugaree  
Sugaree, Sugaree  
Don't you know I love you so Woah - Well I met her at the station  
She had her baggage in her hand  
Well I met her at the station  
She had baggage in her hand  
I said I love you pretty baby  
I'll make you happy if I can Sugaree, Sugaree  
Sugaree, Sugaree  
Sugaree, Sugaree  
Don't you know I love you so Oh -  
Sugaree, Sugaree  
Sugaree, Sugaree  
Sugaree, Sugaree  
Don't you know I love you so  
Sugaree, Sugaree  
Sugaree, Sugaree  
Sugaree, Sugaree  
Don't you know I love you so -
