

Here's My Life

Barlow Girl

Once again I said my goodbyes to those I love most
My heart feels that familiar pain as I long for home
Cause this road is hard when I feel so far God I'm crying out tonight
Cause I've given You my life
But I'm tired and I'm missing what's behind
So once more here's my life On the day that You called my name, all that I knew changed
I found when I said yes, that I'd never be the same
Though the call is hard, You are worth it all God I'm crying out tonight
Cause I've given You my life
But I'm tired and I'm missing what's behind
So once more Even when the tears are falling
When I find I fear the calling
You remind me words You've spoken over my life
Promises I've yet to see, You comfort me God I'm crying out tonight
Cause I've given You my life
But I'm tired and I'm missing what's behind
So once more God I'm crying out tonight
Cause I've given You my life
But I'm tired and I'm missing what's behind
So once more here's my life, here's my life
