Armed and Stupid

Meat Puppets

Blue showers
Stars open
New pennies
For heavenAnd the sun wants a place in the sky
As it spins all around
And the rain thinks that it was only dreaming
As it kisses the groundNo feelin'
Poor shooting
Find trouble
So soothingAnd the sun wants a place in the sky
As it spins all around
And the rain thinks that it was only dreaming
As it kisses the groundNo body
Pure science
No body
Pure essenceAnd the sun wants a place in the sky
As it spins all around
And the rain thinks that it was only dreaming
As it kisses the ground
And the sun wants a place in the sky
As it spins all around
And the rain thinks that it was only dreaming
As it kisses the ground
