

Jaykub (feat. Jason Lytle)

Danger Mouse

Jaykub, it's time for you to wake up and accept your awards
Inside your tiny little one room apartment of the poorUp on the podium you smile and you wave
Well, they all thought that you were dumb
But it's you who's on that stageJaykub, you work until the day's done and then you go to bed
And never with anyone to talk to but the hero in your head
The heroUp on the podium you're handsome and you're tall
But actually you are just hardly five foot small
