

# Sicker Things

## Marianas Trench

Backwards leaving, Daily beating's  
Stupid reasons, useless feelings  
I wasn't that surprised(its always part of my)  
Awkward attempts to stay gone  
I remain unknown

Chorus:

Im bleeding where i bled  
Im hiding where i hid  
Im entertained in sicker things  
And everybody said  
Im burning out instead  
The softer side of unbearable  
Feel castrated, Complicated  
Mind mistreated  
I wasn't that prepared(i wasn't that aware)  
Just wanted to disappear  
I remain unknown

Chorus

Come Around, coming down  
Giving a frown, to the sound  
When I hit ground  
I hate the way that I say  
I should stay when i know that i don't give a fuck  
about it anyway  
Stay awake, Feeling cold and tired  
Resignation - life's forsaken  
I should have thought ahead  
And I remain unknown

Chorus

I'm sicker than I thought  
I'm fighting what I fought  
I'm right back where I started from  
Backwards leaving  
Daily beating's
