Simplesmente (Tom Middleton Cosmos Mix)

Bebel Gilberto

Every moment I'm near you
I try to understand
Every second I try to believe
In how I amIn the silence of moonlight
I find myself and you
Just as always I'm dreaming
I know you're dreaming tooAnd all the tears that I've cried
Are maybe drops of rain
After all
And every sunset sky
Is here with us forever nowQuando canto me lembro
De tudo o que Ã© bom
SÃ³ passando por muito
Eu sei o que Ã© dor
(When I sing I remember
Of everything that's good
Just being through a lot
I know what is pain)NÃ£o quero nunca esconder
Talvez eu possa atÃ© me arrepender
SÃ³ porque entÃ£o pensei
Que gente possa ser
Bem mais que um simplesmente ser
(I never want to hide
Maybe I can even regret
Just because then I thought
That people can be
Much more that a simple being)Don't have to try too hard
It's not a secret held after all
'Cause every falling star
Is here with us (forever)NÃ£o quero nunca perder
Talvez eu pense atÃ© em querer
SÃ³ porque entÃ£o pensei
Que gente possa ser
Bem mais que um simplesmente
(I never want to hide
Maybe I can even regret
Just because then I thought
That people can be

Much more that a simple being)
