Fascinated

Company B

I want to play with you tonight
Hold me, that's all
That's on my mind
Baby, something feels so right
Maybe we could play tonight

I want to be so
In love with you
I want to do just
What you want to do

I want to be all that to you
I got a dream and
You can make it true

[Chorus: x2]
'Cause I, I'm fascinated
By your love, boy
And I'm fascinated
By your love toy
I'm fascinated by
The way you make me feel

Love me until the morning light
Please me, make me feel alright
Kiss me, let me make you mine
I love it, loving you sometime

Come on, come on
I want to be with you
Come on, come on
I won't get over you

I want to do just
What you want me to
I got a dream and
You can make it good

[Chorus: x2]

I, I'm fascinated
By your love, boy
And I'm fascinated
By your love toy
I'm fascinated by
The way you make me feel

[Chorus]

I, I'm fascinated
By your love, boy
And I'm fascinated
By your love toy
I'm fascinated by
The way you make me feel
