

Rock and Roll

Rasputina

It's been a long time since I Rock and Rolled

It's been a long time since I did the Stroll

Oh let me get it back

Let me get it back

Let me get it back, baby, where I come from

Oh Lord

It's been a long time

Been a long time

Been a long lonely, lonely, lonely, lonely, lonely time

Yes it has It's been a long time since I spoke of love

Many many tears of a life with no love

Carry me back

Carry me back

Carry me back, baby, where I come from

It's been a long time

Been a long time

Been a long lonely, lonely, lonely, lonely, lonely time Seems so long since we walked in the moonlight

Oh Lord

Making vows that just can't work right

Oh yea

Open your arms

Open your arms

Open your arms, baby, let my love come running in

It's been a long time

Been a long time

Been a long lonely, lonely, lonely, lonely, lonely time
