

# Never Alone

[Nikola Tesla](#)

You were like a lost kid looking for home  
You found what you wanted right in my arms  
If you walk out on me, just leave your memory  
Just take my sympathy and go  
I love you so you're never alone  
If you find another one turns your head  
And you can't understand why it hurts so bad  
If you walk out on me, just leave your memory  
Just take my sympathy and go  
I love you so you're never alone  
Ain't no need to talk about it  
I can learn to live without it  
Just leave your heart right here with me  
If you walk out on me, just leave your memory  
Just take my sympathy and go  
If you walk out on me, just leave your memory  
Just take my sympathy and go  
I love you so you're never alone  
Girl, you're never alone never alone
