Save It

Professor Fresh

Save it, save it, save it all for me ...Save it, save it
You've gotta save it all for meGonna take my heart and my soul
And lay it onto someone's daughter
Gonna give out all that I got
To the woman who sits by the waterGonna spend the rest of my time
With the woman by the winding river
Gonna let her know
That I'll give her all
That I got forever and everShe knows what I like
She knows what I need
And babe let me tell you
She'll give it all to me
