Cowgirl

Tyler Farr

Give me 4 wheels made in the USA
An old dog riding shot gun
Iâ€™ll take burger and fries with a cold beer
After a hard days work in the hot sun
Just a nail to hang my ball cap on
A front porch to watch the world go by
Give me a rooster crowing, coffee in the morning
And when it comes to the rest of my life

Give me a cowgirl
With a strong heart,
A soft touch in my arms.
A big love, for one man,
That gives all that she can.
Blue jeans, and a t-shirt, god fearing down to earth,
Cowgirl

Iâ€™m into old rock n roll
Life on a dirt road
Staying young, and picking this guitar
Iâ€™m rough around the edges
But I feel at home in a church pew with a pool cue in a bar
I donâ€™t need a big nest egg for a rainy day
I ainâ€™t afraid of getting wet
Pretty much easy going
I ainâ€™t hard to please,
But when I ride off in the sunset

Give me a cowgirl
With a strong heart,
A soft touch, in my arms.
A big love, for one man,
That gives all that she can.
Blue jeans, and a t-shirt, god fearing down to earth,
Cowgirl

Give me a cowgirl
With a strong heart,
A soft touch, in my arms.
A big love, for one man,

That gives all that she can.
Blue jeans, and a t-shirt, love me so much it hurts,
God fearing down to earth, Cowgirl

Give me a cowgirl
