## **This Magic Moment**

## Ben E. King

This magic moment, so different and so new
Was like any other until I kissed you
And then it happened, it took me by surprise
I knew that you felt it too, by the look in your eyes

[Chorus:]
Sweeter than wine
Softer than the summer night
Everything I want, I have
Whenever I hold you tight

This magic moment while your lips are close to mine Will last forever, forever till the end of time

Oh-oh-oh-oh-oh Oh-oh-oh-oh-oh-oh Mm-mm-mm-mm

[Chorus]

This magic moment while your lips are close to mine Will last forever, forever till the end of time

Whoa-oh-oh-oh Magic moment Magic moment Magic moment
