

Get To Know You Better

Mary J Blige

Why do we go through things unnecessary?
Why can't we understand that our love is the key?
We can solve any problem if we only were meek
But you won't take the time to try and understand me Our love will grow much stronger
Our love will last much longer
If we would take the time out
To find out what love is all about That's why I'm saying
I wanna get to know you better
Only if you let me love will grow much faster
Happy ever after, that is what I'm after
I just wanna be with you, you I do not understand why we can't make it
But I would tell you one thing, I'm not trying to fake it
You can stay if you want to 'cause my love is the same
I will not disappoint you and I won't be the blame Our love will grow much stronger
Our love will last much longer
If we would take the time out
To find out what love is all about That is why I'm sayin'
I wanna get to know you better
Only if you let me love will grow much faster
Happy ever after, that is what I'm after
I just wanna be with you, you La la la la la
La la la la la la
La la la la la la
La la la la la la I wanna get to know you better
Only if you let me love will grow much faster
Happy ever after, that is what I'm after
I just wanna be with you, you you, you
