

# Continue Whine

## Demarco

Watch the gyal dem a whine an a work it  
Sexy body weh the skirt fi work it  
From yo know she yo worth it, work it  
My gyal my wan girth it, work it  
The gyal dem come out cause a whining time  
Any man no si da gyal deh a blind him blind  
Gyal a tip pon the toe an a join inline  
Every man waan fi spend every kyle him find  
Who a go get this yah money yah  
Gyal work hi, work hi, like obia  
Si gyal a muscle up like a gorilla  
When yo juck so yo hotter than florida  
New girl weh kind a thing you a study yah  
She a broad out an a split pon the corridor  
Money deh yah my girl weh you a worry fa  
Gyal stop, fix up yo hair then wontinue whine  
Continue whine, continue whine, gyal continue whine  
Continue whine, continue whine  
Then stop, fix up yo hair, then continue whine  
Continue whine, continue whine, continue whine  
Continue whine, continue whine, then stop  
Gyal go paw yo head an spin like a gig so  
Like yo transformer, like she yo skit so  
Kick out yo foot, bend yo back, do yo hip so  
Yo know baby girl we no live so  
Me love when yo wine an yo dip so  
When yo turn it around an bubble to the ground an stop  
Gyal stop, fix up yo hair then wontinue whine  
Continue whine, continue whine, gyal continue whine  
Continue whine, continue whine  
Then stop, fix up yo hair, then continue whine  
Continue whine, continue whine, continue whine  
Continue whine, continue whine, then stop  
The gyal dem come out cause a whining time  
Any man no si da gyal deh a blind him blind  
Gyal a tip pon the toe an a join inline  
Every man waan fi spend every kyle him find  
Who a go get this yah money yah  
Gyal work hi, work hi, like obia

Si gyal a muscle up like a gorilla  
When yo juck so yo hotter than florida  
Gyal stop, fix up yo hair then wontinue whine  
Continue whine, continue whine, gyal continue whine  
Continue whine, continue whine  
Then stop, fix up yo hair, then continue whine  
Continue whine, continue whine, continue whine  
Continue whine, continue whine, then stop.
