

My December

LINKIN PARK

This is my December
this is my time of the year
this is my December
this is all so clear

Mike: Just wish that i didn't feel like there was something i missed
(give it all away)
just wish that i didn't feel like there was something i missed
(give it all away)

This is my December
this is my snow covered home
this is my December
this is me alone

And I... Just wish that i didn't feel like there was something i missed
And I... take back all the things i said to make you feel like that
And I... just wish that i didn't feel like there was something i missed
And I... Take back all the things that i said to you

(CHORUS)
And I'd, give it all away
just to have somewhere to go to
give it all away
to have someone to go home to

This is my December
These are my snow covered trees
This is me pretending
This is all I need

And I... just wish that I didn't feel like there was something i missed
And I... Take back all the things I said to make you feel like that
And I... just wish that I didn't feel like there was something I missed
And I... Take back all the things that I said to you

(CHORUS)
And I'd, give it all away
Just to have somewhere to go to
give it all away

to have someone to come home to

This is my December
this is my time of the year
This is my December
This is all so clear

(CHORUS x2)
