

Moves Like Jagger

KIDZ BOP Kids

Just shoot for the stars
If it feels right
And aim for my heart
If you feel like
And take me away and make it OK
I swear I'll behave
You wanted to know
So we waited
I put on a show
Now we're jaded
You say I'm a kid
My ego is big
I don't even care
And it goes like this
[Chorus:]
Take me by the hand
And I'll know you
Dance until were done
And I'll show you
All the moves like Jagger
I've got the moves like Jagger
I've got the moves like Jagger
I don't need to try to convince you
Look into my eyes and I'll know you
With the moves like Jagger
I've got the moves like Jagger
I've got the moves like Jagger
[Verse 2:]
Maybe it's hard
When you feel like you're broken and scarred
Nothing feels right
But when you're with me
I'll make you believe
That I've got the key
Oh
So get in the car
We can ride it
Wherever you want
Get inside it

And you want to steer
But I'm shifting gears
I'll take it from here (Oh) And it goes like this
[Chorus]
