## SHONEN KNIFE

I don't want to get up early in the morning,  
I want to sleep all day.  
I don't want to ride a crowded subway,  
I want to go by car  
You don't need to be serious.  
You don't need to be a walrus.  
You don't need to be nervous.  
You don't need to be an egg man  
Uh, uh, uh. I don't want to work a boring job,  
I want to play all day.  
I don't want to flatter silly people,  
I want to kick them out. You don't need to be serious.  
You don't need to be a walrus.  
You don't need to be nervous.  
You don't need to be an egg man,  
Uh, uh, uh. I don't want to get up early in the morning,  
I want to sleep all day.  
I don't want to ride a crowded subway,  
I want to go by car.
